NEW YORK.

Meeting at Cooper Institute.

New York, March 3.

A meeting was held at Cooper Institute Insterening in aid of Washington College, Virginia.

Among the speakers were Rev. Heary Word Beecher and Prof. R. D. Hitchcock. Letters approving of the object of the meeting were readfrom James T. Braily, Geo. Wm. Cartiss; Gerrit T. Smith, Horace Greeby, and others: Appropriate resolutions in furthernice of the purpose of the meeting were adopted.

Destructive Fire.

A fire broke out after midnight in Barnum's

A fire broke out after midulght in Barman's Maceum. In the portion occupied by Yau Anborgh's Munageria, and so rapidly did the than spread that it was found impossible to save any of the larger animals. The yells of the animals as the flames reached them were apputling, and they bounded from side to side, or darted madly nguinst the bars, in value efforts to free them selves. A few actimals, among them a kangaroo, a werell legard a few monkeys, together with against the bars, in who since, or dark anomaly against the bars, in who alforts to free themselver. A few animals, among them a kangaroo, a small teopard, a few monkeys, together with the pelicens, with other small birds, were got out. The electrical machine was also saved. On the Marcer street elde the police and others were more successful; the girafic, two camels, a pair of Japancea hogs, a Barmesa cow, a Lisma, and of Japancea hogs, a Barmesa cow, a Lisma, and of them had narrow escapes, however, and a few were slightly singed. The firence were at work at another fire in Spring street and when they arrived the building was wrapt in flames. In a short time the interior was burned out and the adjoining buildings seriously damaged. The side of the Prescott House was on fire at ontime but was saved by carroordinary exertions. The thieres in the confusion managed to appropriate a considerable amount of property and several spectators were relieved of watches and wallets. The toss on the Museum and contents, including Van Amburgh's Menageria, will amount to 2500,000. Insured, but to what smount could not be learned.

The basement of No. 529, occupied as a restaurant; loss on stock about \$2,500; insured.

After considerable discussion the Committee research reported the bill to the House, and it

passed.

Mr. Schenck, from the Committee on Ways and Meanstreported back the bill for the relief of certain exporters of distilled spirits, the same as reported by him last Friday. After discussion the bill passed.

the bill passed.
At quarter must three Mr. Butler rose and reported from the Managers of Impeachment the
following article, remarking that there was but
one dissenting voice upon it among the managers
and it had only falled yesterday on necount of
want of time.

following article, remining than action and considering voice upon it among the managers and it had only falled yesterday, on account of Article 11. That said Andrew Johnson, President of the United States, unmindful of the high duties of his office and the dignity and propriettes thereof, and of the harmony and courtesies which ought to exist and be maintained between the executive and legislative branches of the government of the United States, designing and intending to set aside the rightful authority and powers of Congress, did attempt to bring into disgrace, ridicate, histred, contempt, and repreach the Congress of the United States and the externi branches thereof, to impair and destroy the regard and respect of all the good people of the United States and the externi branches thereof, to impair and destroy the regard and respect of all the good people of the United States and the externibranches thereof, which all officers of the government, onght inviolately to preserve and Legislative power thereof, which all officers of the government, onght inviolately to preserve and manipation, to excite the odium and resentment of all the good people of the United States, against Congress and the laws by it duly and constitutionally enacted, and in marsuance of his said design and futent, openly and publicly, and before divers assemblages of the citizens of the United States corrected in divers parts thereof to meet and receive said Andrew Johnson as the Chief Magistrate of the United States, ald, on the 18th day of August, in the year of our Lord one thousand eight hundred and sixty-ix, and on divers others days and times, as well before as afterwards, make and deliver with a loud voice certain Intemperate, indammatory, and scandalous hereins and bitter menners, as well against Congress as the laws of the United States duly enacted thereby, and the cries, jeers, and langtur of the united therein action the consended on the crimate written, in substance and effect, that is to say:

by, smid the cries, jeers, and laughter of the multitude then assembled and in hearing, which are set forth in the several specifications bereinafter written, in substance and effect, that is to say:

[The article is supported by three specifications provided by three specifications in Washington, August 18in; at Cheveland, Ohio, September 3d; at St. Louis, Missouri, September 3d; at Cheve, India, Ohie, September 3d; at St. Louis, Missouri, and Large, Missouri, a

The Speaker overruled the point of order on two grounds, the principle one being any member had a right, as a question of the highest privilege, to present articles of imprachment.

Mr. Butler spoke in support of the article.
The article was opposed by Messrs. Garfield, Woodbridge and Wilson; of lows, as tending to protract the trial.

Mr. Logan apoke he has favor, after which the previous question was moved and seconded and the House proceeded by NOTE by was and was

previous quistion was moved and seconded and the Hones proceeded to vote by yeas and nave on adopting the article reported as article 10. The article was adopted, yeas 87 mays 41. Mr. Bingham then offered the following as an additional article, exping it had received the unanimous vote of the managers and he moved the previous question on adoption.

previous question on adoption.

Article 2. That said Andrew Johnson, President of the United States, numiniful of the high duties of his orth of office, and in discrepted of the Constitution and laws of the United States, did heratofore, to wit: On the 18th day of Angust, 1886, at the city of Washington, in the District of Columbia, by public speech declare and affirm in substance that the Thirty-Ninth Congress of the United States was not a Congress of the United States was not a Congress of the United States was not a Congress of the United States was not only a part of the States, thereby denying and latending to deny that the legislation of said Congress was not wild or obligatory upon him, the said Andrew Johnson, except in so far as he the said Andrew Johnson, except has of far as saw fit to approve the same, and also thereby doying and intouding to deny the power of the said Thirty-Ruth Congress to propose amenuments to the Constitution of the United States

nying and intonding to deny no power of the said Thirty-Ninth Congress to propose, amendments to the Congress to propose, amendments to the Congress to propose, amendments of the Congress to propose, amendments of the Congress to the United States, and the Thirty of Columbia, did unlawfully and in disregard of the requirements of the Constitution, that he should take care that the laws be faithfully executed, attempt to prevent the execution of an act entitled "An act regulating the tenure of certain civil officers," passed March 2d, 1887, by unlawfully devising and contriving and attempting to devise and contriving mena by which be should prevent Edwin M. Stanton from forthwith resuming the functions of the office of Secretary of the Department of War, notwithstanding the released of the Sentie to concur in the suspension, before made by the said Andrew Johnson of the said Edwin M. Stanton for said office of Secretary of the Department of War, notwithstanding the released of the Sentie to concur in the suspension, before made by the said Andrew Johnson of the said Edwin M. Stanton for said office of Secretary of the Department of War, not with the suspension, before made by the said and contrive means then and there to prevent, in wrection of an Act cultied "an Act to make appropriations for the support of the crity for the fiscal year ending June 30, 1868," and for other purposes approved March 2, 1868, and, also to prevent for execution of an Act cultied "an Act to provide for the more Ufficient government of the rebull States," whereby said Andrew Johnson, Prosident of the United States, did then, to wit on the 28th day of February, 1808, at the city of Washington, committand was guifty of a high misdemenane in colline.

Washington, commit and was guity or a nigal misdemeaner in office. Tassed by a strict party vote. Mr. Bingban, then reported two resolutions, one directing that orticles of impeasiment he resultified in the manac of the House of Representatives and of all the people, and he carried to the Sonate by the managers, and the other authorizing the managers to appoint a clerk and messenger, to sond for persons and papers. Adopted. Mr. Jenekes offered in an additional article the one offered by him yesterday. Without taking a vote on Mr. Jenekes proposition, the House adjourned.

PINANOIAL AND COMMERCIAL

PETROLEUM MARKETS.

Office of the Monaina Health, {
The Since fills, March 3, 1888—11 r. M.
The blocking up of the different railroad these has effected the market adversely by eccasioning a temporary suspension in the movement of cil, and, while there is but an extremely moderate business baing done, ther is, in the aggregate, a considerable quantity being is, in the aggregate, a feometerable quantity being thrown on the mortest at figures a shand lower than the questions of Sainday. This state of affairs is being taken advantage of by the brokers and shippers who have empty hawage, and beside the transactions that take place between these parties and those who are crowded, there is scarcely anything doing. But very little oil has been moved over either branch of the Oil Oreck an Allegheny fiver Ballway during the past two days, but it is expected that both branches will be in running order on the 4th inst. The broad gauge roads from Oil City and Corry to Uleveland were not blocked to any greet esteen, and the movement of cit will go on on the 4th inst as usual. There was some inquiry to elay, but at prices much below the views, of sellers. At point north of Petroleum Centre sellers were asking from \$2.25 to \$2.35. The sales made delivered were: Three \$7.25 to \$2.35. The sales made delivered were: Three car loads at Pioneer, from the Stewart well, for the Claveland market, at \$2.25; 175 harrels at Miller Farm, for the local market, at \$2.40; two car loads at Pioneur for the Cleveland market, on private terms. Our quotations are a shade lower.

We quo:e:

Grade at Titusville delivered on the care, 40 to
49 gr. 240
Grade at Petroleum Center delivered on the
care, 40 to 49 gr. 2 5022 49
Grade at Miller delivered, 40 to 37 gr. 2 5022 49
